Product Name	01 Assembly for Multipurpose Tire Gauge	
	Product Model	01
	Product Origin	TW
	Brand	MADA
	17001 General adaptor	
Product Name	02 Assembly Part for Multipurpose Tire Gauge	
	Product Model	02
	Product Origin	TW
	Brand	MADA
	02 assembly part for 3 function tire gauge, application for bicycles and motorcycles	
Product Name	02A Assembly part for Multipurpose Tire Gauge 17001-1	
	Product Model	02A
	Product Origin	TW
	Brand	MADA
	02A Assembly parts application bicycles and motorcycles	
Product Name	02Y Assembly Part for Multipurpose Tire Gauge	
	Product Model	02Y
	Product Origin	TW
	Brand	MADA
	02Y Assembly parts, application for motorcycle , bicycle ..	
Product Name	02YA Assembly Part for Multipurpose Tire Gauge 17001-1	
	Product Model	02YA

		
	Product Origin	TW
	Brand	MADA
	02YA Assembly part for Multipurpose tire gauge, it can directly put in 17001 without any dismantle application on bicycle and motorcycle	
Product Name	03 Assembly Part for Multipurpose Tire Gauge	
	Product Model	03
	Product Origin	TW
	Brand	MADA
	03 Assembly part with tire gauge application in bicycle only. one side is meet french spec. the other side is meet American spec.	
Product Name	03A Assembly Part for Multipurpose Tire Gauge 17001-1	
	Product Model	03A
	Product Origin	TW
	Brand	MADA
	one side is french specs. another side is meet american specs. application in bicycle only. It can directly insert to 17001-1 without any dismantle	
Product Name	04 Assembly Part For Multipurpose Tire Gauge	
	Product Model	04
	Product Origin	TW
	Brand	MADA
	04 Part cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	04A Assembly part for Multipurpose Tire Gauge 17001-1	
	Product Model	04A
	Product Origin	TW
	Brand	MADA
	04A Part with quick joint you can directly insert to 01 , one action will be done , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	04T Assenbly Part for Multipurpose Tire Gauge	

	Product Model	04T
	Product Origin	TW
	Brand	MADA
	04T Part cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....Besides, you can release air by hand-free	
Product Name	04Ta Assembly Part For Multipurpose Tire Gauge 17001-1	
	Product Model	04TA
	Product Origin	TW
	Brand	MADA
	04TA Part with quick joint you can directly insert to 01 , one action will be done , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	05 Assembly Part For Multipurpose Tire Gauge	
	Product Model	05
	Product Origin	TW
	Brand	MADA
	05 Part cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	05A Assembly Part For Multipurpose Tire Gauge 17001-1	
	Product Model	05A
	Product Origin	TW
	Brand	MADA
	05A Part with quick joint you can directly insert to 01 , one action will be done , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	06 Assembly Parts For Multipurpose Tire Gauge	
	Product Model	06
	Product Origin	TW
	Brand	MADA
	06 Part cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	06A Assembly Part For Multipurpose Tire Gauge 17001-1	

	Product Model	06A
	Product Origin	TW
	Brand	MADA
	06A Part with quick joint you can directly insert to 01 , one action will be done , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	07 Assembly Part For Multipurpose Tire Gauge	
	Product Model	07
	Product Origin	TW
	Brand	MADA
	07 Part cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	07A Assembly Part Multipurpose Tire Gauge 17001-1	
	Product Model	07A
	Product Origin	TW
	Brand	MADA
	07A Part , you can directly insert to 17001-1, cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle.... Besides you can release air by hand free , it is very convenience.	
Product Name	07T Assembly Part For Multipurpose Tire Gauge	
	Product Model	07T
	Product Origin	TW
	Brand	MADA
	07T Part , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle.... Besides , you can release air by hand-free	
Product Name	07TA Assembly Part For Multipurpose Tire Gauge 17001-1	
	Product Model	07TA
	Product Origin	TW
	Brand	MADA
	07TA Part with quick joint you can directly insert to 01 , one action will be done , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle.... Besides , you can release air by hand-free	

Product Name	08 Assembly Part for Multipurpose Tire Gauge 17001-1	
	Product Model	08
	Product Origin	TW
	Brand	MADA
	08 Part , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	08A Assembly Part for Multipurpose Tire Gauge 17001-1	
	Product Model	08A
	Product Origin	TW
	Brand	MADA
	08A Part with quick joint you can directly insert to 01 , one action will be done , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	08T Assembly Part for Multipurpose Tire Gauge	
	Product Model	08T
	Product Origin	TW
	Brand	MADA
	08T Part , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle.... Besides , you can release air by hand-free	
Product Name	08TA Assembly Part for Multipurpose Tire Gauge 17001-1	
	Product Model	08TA
	Product Origin	TW
	Brand	MADA
	08TA Part with quick joint you can directly insert to 01 , one action will be done , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle..... Besides , you can release air by hand-free	
Product Name	08Y Assembly Part for Multipurpose Tire Gauge	
	Product Model	08Y
	Product Origin	TW
	Brand	MADA
	08Y Part , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	

Product Name	09 Assembly Part for Multipurpose Tire Gauge	
	Product Model	09
	Product Origin	TW
	Brand	MADA
	09 Part , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car , truck , bicycle , motorcycle....	
Product Name	09A Assembly Part for Multipurpose Tire Gauge	
	Product Model	09A
	Product Origin	TW
	Brand	MADA
	09A Part with quick joint you can directly insert to 01 , one action will be done , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car , truck , bicycle , motorcycle....	
Product Name	09T Assembly Part for Multipurpose Tire Gauge	
	Product Model	09T
	Product Origin	TW
	Brand	MADA
	09T Part,cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car , truck , bicycle , motorcycle.... Besides you can release air by hand free , it is very convenience.	
Product Name	09TA Assembly Part Multipurpose Tire Gauge 17001-1	
	Product Model	09TA
	Product Origin	TW
	Brand	MADA
	09TA , you can directly insert to 17001-1, cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car , truck , bicycle , motorcycle.... Besides you can release air by hand free , it is very convenience.	
Product Name	10 Assembly part Multipurpose Tire Gauge	
	Product Model	10
	Product Origin	TW
	Brand	MADA
	10 Part , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on bus , truck , trailer,excavator/heavy equipment	

Product Name	10A Assembly Part For Multipurpose Tire Gauge17001-1	
	Product Model	10A
	Product Origin	TW
	Brand	MADA
	10A Part with quick joint you can directly insert to 01 , one action will be done , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on Shovels, bus, truck ,excavator/jeavu equipment	
Product Name	A07 Assembly Part For Multipurpose Tire Gauge	
	Product Model	A07
	Product Origin	TW
	Brand	MADA
	A07 Part , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	A07A Assembly Part For Multipurpose Tire Gauge 17001-1	
	Product Model	A07A
	Product Origin	TW
	Brand	MADA
	A07A Part with quick joint you can directly insert to 01 , one action will be done , cooperation with our 3 function tire gauge (90 psi , 170psi, 220psi) application on car, truck , bicycle , motorcycle....	
Product Name	R01 Assembly of Tire Gauge	
	Product Model	R01
	Product Origin	TW
	Brand	MADA
	01 Easily replaceable and climp can rotation with 360 degree when you use. We have another choice is fixed climp, hose can rotation with 360 degree. you can choice one of them when you buy our TG serious and 3 functions tire pressure gauge.
